General description

Sigma Hook & Line Kit

Part Number HL007500

NATO stock number 1385-99-179-5408

This kit contains all the tools in the Epsilon Kit, and additional tools making this the most comprehensive kit.

Working characteristics

Twin reels of line give the option of a 2 line pull, and many of the additional tools are designed for working in urban areas. When used with a kit from the Alpha range, the system is able to deal with all hook and line tasks. Supplied in a rigid carrying case.
