

A Study of Mechanical Application in Demining

A Study of Mechanical Application in Demining

**Geneva International Centre for
Humanitarian Demining
Centre International de
Démunage Humanitaire - Genève**

The **Geneva International Centre for Humanitarian Demining** (GICHD) supports the efforts of the international community in reducing the impact of mines and unexploded ordnance (UXO). The Centre provides operational assistance, is active in research and supports the implementation of the Anti-Personnel Mine Ban Convention.
