

DETECTOR

# Minelab MF5

## Applications

Handheld  
Handheld

## Types

Metal detectors (MD)

## Last update

01/01/1970

## General description

MF5 Metal and Conductive Target Detector. The MF5 is a lightweight and compact detector designed for operator comfort and ease of use. The MF5 is suitable for Non-Government Organisations (NGO)

## Working characteristics

The MF5 detector uses Minelab's unique Simultaneous Multi-Frequency Digital Technology resulting in the MF5 providing superior detection capabilities by combining the advantages of Pulse Induction and Continuous Wave Technologies

## Radio, audio, visual, sensitivity data

<b>Audio output</b>	Internal speaker, earset
<b>Visual display</b>	9 LEDs visual and infrared.
<b>Depth indication</b>	No
<b>Sensitive adjustment</b>	1
<b>Ground balance</b>	1
<b>Ground balance information</b>	fixed Ground Balance
<b>Connectivity</b>	USB connection in Earset connector

## Power supply data

<b>Battery</b>	C cell batteries, quantity four
<b>Low battery alert</b>	1
<b>Low battery alert information</b>	Low battery alert and Low battery alarm
<b>Rechargeable</b>	1
<b>Operating time</b>	13 hours
<b>Battery charger provided</b>	1
<b>Battery charger information</b>	optional battery charger

## Dimensional data

<b>Length</b>	410 mm
<b>Weight</b>	2.6 kg
<b>Search head size</b>	270 mm
<b>Shape</b>	rectangle (rounded)
<b>Transport case provided</b>	1
<b>Transport case weight</b>	7 kg
<b>Transport case weight info</b>	with detector and accessories.

## Factory support data

<b>Factory support</b>	Minelab Warranty, new product 15 months. Training available from Minelab. supporting documents and manuals available to download from Minelab web pages
<b>Warranty</b>	15 months
<b>Humidity (limitations)</b>	no limits, equipment is water proof
<b>Water resistant</b>	1
<b>Temperature limitations</b>	-30C to +60C

## Price

<b>Base price</b>	4780 €
<b>Reduction for higher quantity</b>	Ask Minelab about discounts for quantity.

# Other

Additional equipment	Accessories and spare parts available
Detectors systems in use to date	>1,000
