01/01/1970

## General description

Mobile EORE Unit: Inert Products Mobile EORE Units include a variety of 402 different EORE Ukraine Conflict training aids, of which approximately half are region-specific UXO types. The EORE mobile units are designed to be ruggedized and good to transport anywhere on land rapidly, allowing civilians to be EORE trained and educated in a timely manner. These units can be built with complex features, or they can be built for simple use based on your needs and budget.
