

APOPO's Mission

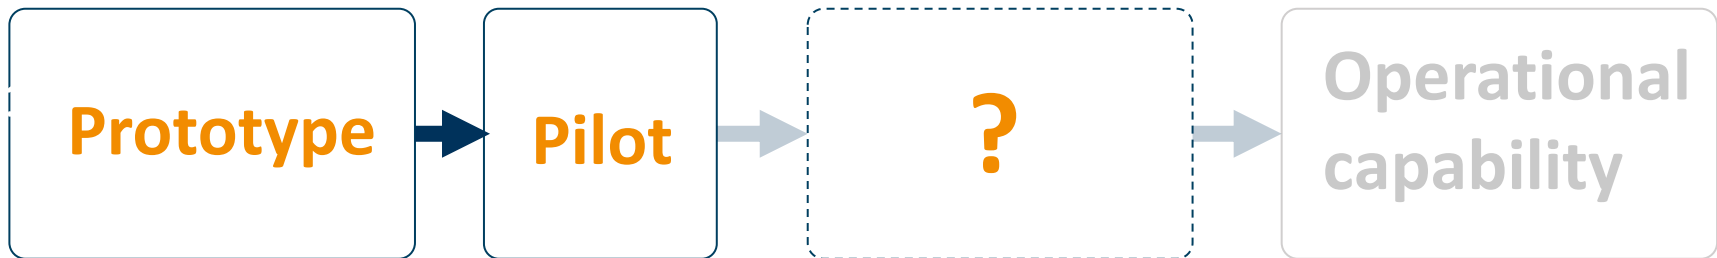

To protect people and the planet
with innovative solutions using
scent detection animals.

Sander Verdiesen
Innovation Manager – Mine Action

Innovation in mine action is as much organisational as technological.

The gap

Testing · Evidence · Funding · Ownership · Standards · Accreditation

Not a scaling problem. A transition problem.

Problem

Evidence

Advantage

Integration

Ownership

All five, or it quietly stops being used.

Test · Compare · Evidence · Learn

Evidence and learning. Not approval.
